About the University

SNDT Women's University is the first Women's university in India as well as in South-East Asia. The University was founded by Maharshi Dr. Dhondo Keshav Karve in 1916 for a noble cause of Women's Education. The first five women graduated in 1921 from this University. The University Headquarters is in Churchgate Campus, Mumbai and the other two campuses of this University are at Juhu, Mumbai and Karve Road, Pune.

In a century old existence, the university has grown into a multidisciplinary institution hosting diverse professional, technical and liberal arts programmes from K12 to PhD. SNDTWU is probably one such university where there is Nursery school as laboratory for Human Development Department, Centres for Women's Studies, Inclusion and Exclusion, Distance Education, and has affiliated institutions for doctoral programmes. Unlike most university's in the country which have to have state jurisdiction, SNDTWU is unique in terms of jurisdiction. SNDTWU can affiliate colleges/institutions anywhere in India with prior consent from the State Government.

SNDT Women's University is committed to the cause of women's empowerment through access to education, particularly higher education, through relevant courses in the formal and non-formal streams. The university is committed to meet the changing socio-economic needs, with human values and purposeful social responsibility and to achieve excellence with "Quality in every Activity" through vocational and professional courses for women. The motto of the university is "An enlightened woman is a source of infinite strength". There are six institutions recognized by SNDTWU for Ph. D. Research. SNDTWU is a home to 1100 teaching and non-teaching staff members and 50,000 students spread across seven states and a union territory.

Dhondo Keshav Karve (Anna). By establishing this college, Dr. Karve started a new chapter in women's overall development through Higher Education. Started with one college in Pune, today, more than 350 colleges are associated with SNTD Women's University. In more than 100 years, the institution has undergone great transformations such as changing the name, shifting its head office from Pune to Mumbai etc. Today, SNTD enjoys privilege to serve at national level, spreading its work of education in

many states, the first of its kind. Though the college has completed 100 years, its relevance is still useful to the current generation. Thousands of alumni have availed the benefits of education and have transformed not only their lives, but of the people around them.

The college has touched many landmarks such as NAAC Accreditation, starting new and socially beneficial courses etc. Unique specializations offered by the college makes it more demanding for the aspirants. In order to cope up with the changing environment, it has implemented the National Education Policy (NEP) 2020 in letter and spirit. Due to NEP, the college is in a position to offer more skill based and multidisciplinary courses and programs.

The College receives excellent guidance from Hon'ble Prof. Ujwal Chakradeo Madam, Hon'ble Vice-Chancellor, Dr. Rubi Oza, Hon'ble Pro_Vice-Chancellor and Dr. Vilas Nandavadekar, Hon'ble Registrar of the University. Rejuvenation of the existing buildings and providing suitable educational tools & equipment to the students through various sources of funds, is on the agenda. In the light of these initiatives, I firmly believe that, I am at the right institution where I can contribute to realizing the collective their dream of fostering and cultivating "Sanskrutas" in their respective fields.
