Annexure 4- Goal Setting for Company Recruitment Training (CRT) by Eduit Consultants

19-20
64 students attended CRT

Date: 16/03/2019

To,
The Principal,
SNDT Women University,
Pune

Dear Sir,

Sub: Submission of Proposal for Company Recruitment Training (CRT) in your institution.

We at Eduit are in the field of Skill Development / Enhancement and are closely associated with various aspects of the students overall skills. It is a holistic approach and development and not piecemeal wise. We have a fully integrated network facility of training professionals to provide state of the art training. Of the many services that we offer; we specialize in Aptitude Training.

The vision of the institute will remain abstract unless it is backed up by concrete action on the fronts of

- Commitment- towards the goals articulated in the vision and the commitment begins at the top and gradually pervades the organization.
- Planning- towards achieving the goals articulated and the plan has to be flexible and practical.

With this thought and approach to align ourselves with your esteemed institute we enclose herewith a proposal for your kind attention and perusal.

We would very much appreciate an opportunity to conduct demo seminars for the students as per the convenience of the institute.

Looking forward to hearing from you at your earliest.

Thanking you,
Regards,

Mukesh Sharma

SUB: PERMISSION FOR PRESENTATION AT YOUR PREMISES

To

The Principal,

SNDT College Of Commerce ,

Kothrud Pune.

I take this opportunity to introduce ourselves . ICA is a reputed training organization with 150+ center across India and 1000+ faculty members including CA s to train the students . So far we have successfully trained and placed more than 5,00,000+ students in the field of accounts and finance . We have 50 + placement offices across India and having a vast experience of over 20 years.

Our experience shows that although there are many institutes of accounting learning in India , but these are just not good enough to cater to the need of students . Due to this fact a lot of students are aspiring for a graduation degree but lack the relevant information on the "accounting as a career" process or are misinformed due to which they may not opt for a good job initially , i.e., while doing graduation course or after the completion of course .

As an organization that understands its social responsibility towards the society and with the aim to expose students to the requirements of accounting professionals with use of latest software , 1:1 computer facility , grooming session conducted by eminent professionals , industry relevant syllabus , tasted course material , 100% job guarantee after the completion of course through our placement team across the country also the largest and the most respected name in the education industry .

We would be delighted to come down to your college and held a seminar to create awareness about CIA (Certified Industrial Accountant) . Apart from the seminar , we would be delighted to take up individual counseling for students on the same topic.

Looking forward to a confirmation from you for the same.

Best regards,

Manoj Padghan
